MEETING DOCUMENTS

This Notice of Meeting and the accompanying Explanatory Statement set out important details regarding the resolutions that will be put to Shareholders at the 2018 Annual General Meeting of Carnarvon Petroleum Limited. You should read all of the documents carefully.

ENTITLEMENT TO VOTE

In accordance with Regulation 7.11.37 of the *Corporations Regulations 2001* (Cth), Shareholders eligible to vote at the Annual General Meeting will be those persons who are registered Shareholders of the Company at 4.00pm (AWST) on Wednesday, 7 November 2018.

YOUR VOTE IS IMPORTANT

The business of the Annual General Meeting affects your shareholding and your vote is important. If you are in doubt as to how you should vote, you should seek independent advice from your accountant, solicitor or other professional adviser prior to voting.

HOW TO VOTE

You may vote by attending the Annual General Meeting in person, by proxy or attorney, or by an authorised representative (if you are a body corporate).

VOTING IN PERSON

To vote in person, attend the Annual General Meeting on the date and at the place set out above.

VOTING BY PROXY

A Shareholder has the right to appoint a proxy (who need not be a Shareholder). A proxy can be an individual or a body corporate.

If you are entitled to cast two or more votes at the Meeting, you may appoint up to two proxies and you may specify the proportion or number of votes each proxy may exercise. Where two proxies are appointed, a separate form should be used for each.

You are requested to show on the form a specified proportion of your voting rights which a proxy may exercise. If you appoint two proxies and the appointment does not specify the number or proportion of votes each proxy may exercise, each proxy may exercise half the votes.

A Shareholder can direct its proxy to vote for, against or abstain from voting on each resolution by marking the appropriate box in the voting directions section of the proxy form. If a proxy holder votes, they must cast all votes as directed. Any directed proxies that are not voted will automatically default to the Chairman, who must vote the proxies as directed.

If the Chairman is to act as your proxy (whether by appointment or by default) and you have not given directions on how to vote in the voting directions section of the proxy form for Resolutions, the proxy form expressly directs and authorises the Chairman to cast your votes "for" the relevant resolution. This express authorisation is included because without it the Chairman would be precluded from casting your votes as these resolutions are connected with the remuneration of Key Management Personnel. Subject to any voting prohibitions that may apply to the Chairman in respect of Resolutions 3 to 6 to restrict the Chairman from voting undirected proxies, the Chairman intends to vote all undirected proxies in favour of Resolutions 1 to 8.

To vote by proxy, please complete and sign the enclosed proxy form and return it (together with the original of any power of attorney or other authority, if any, or a certified copy of that power of attorney or other authority under which the proxy form is signed) in accordance with the instructions below.

Proxy forms should be returned to the Company's Share Registry Link Market Services Limited in accordance with the instructions on the enclosed proxy form by 10.30am (AWST) on Wednesday, 7 November 2018.

ANNUAL FINANCIAL STATEMENTS AND REPORTS

The Corporations Act requires the Annual Financial Report, the Directors' Report, and the Auditor's Report ("Annual Report") to be received and considered at the AGM. The Corporations Act does not require Shareholders to vote on the Annual Report. However, Shareholders attending the AGM will be given a reasonable opportunity to ask questions about, or make comments on, the financial statements and reports contained within the Annual Report which can be downloaded from the Company's website at www.carnarvon.com.au.

The Company's auditor, Ernst & Young, will be present at the AGM and Shareholders will have the opportunity to ask the auditor questions in relation to the conduct of the audit, the Auditor's Report, the Company's accounting policies, and the independence of the auditor.

RESOLUTION 1 –ELECTION OF MR GAVIN RYAN AS A DIRECTOR

1.1 Background

Under rule 35(a) of the Company's Constitution, the Directors may appoint a person as a Director, either as an addition to the existing Directors or to fill a casual vacancy. Under rule 35(b) any person so appointed, other than the managing director, must retire from office at the next annual general meeting following his or her appointment.

Mr Ryan was appointed a director on 30 July 2018. In accordance with rule 35(b), Mr Ryan now retires and, being eligible, offers himself for election as a Director.

Details of Mr Ryan's experience and qualifications are set out below.

Qualifications: LLB (Hons), MAICD

Skills and experience: Mr Ryan is a lawyer who has extensive legal and commercial skills in oil and gas gained through an extensive international career with organisations such as BHP Petroleum, BP, PTTEP and Shell. Mr Ryan has experience in government dealing, production sharing contracts and petroleum project construction contracts.

1.2 Directors' Recommendation

The Directors (other than Mr Gavin Ryan) unanimously recommend that Shareholders vote in favour of Resolution 1.

RESOLUTION 2 – RE-ELECTION OF DR PETER MOORE AS A DIRECTOR

2.1 Background

In accordance with rule 35(c) of the Company's Constitution, Dr Peter Moore retires by rotation and, being eligible, offers himself for re-election as a Director.

Details of Dr Moore's experience and qualifications are set out below.

Term of office: First appointed as a Director in June 2015 and re-elected as a Director in November 2015.

Qualifications: B.Sc (Hons Geology), MBA, PhD, GAICD.

Skills and experience: Dr Moore has extensive experience in exploration and production in Australia and internationally gained through senior roles with a number of globally recognised companies. Dr Moore led Woodside's worldwide exploration efforts as the Executive Vice President Exploration reporting to the CEO and was the Head of the Geoscience function (Exploration, Development, Production, M&A).

2.2 Directors' Recommendation

The Directors (other than Dr Peter Moore) unanimously recommend that Shareholders vote in favour of Resolution 2.

RESOLUTION 3 – ADOPTION OF THE REMUNERATION REPORT FOR THE YEAR ENDED 30 JUNE 2018

3.1 Background

The Directors' Report for the year ended 30 June 2018 contains a Remuneration Report which sets out:

- the Board's policy for the remuneration of Directors and executive officers; and
- the remuneration details of each Director and each executive officer named in the Remuneration Report.

In accordance with section 250R of the Corporations Act, the Company submits its Remuneration Report for the year ended 30 June 2018 to Shareholders for consideration and adoption by way of a non-binding resolution.

The Corporations Act provides that the vote on this Resolution is advisory only and does not bind the Directors or the Company, nor does it affect the remuneration paid or payable to the Company's Directors or executives. However, the Board will take the outcome of the Resolution into account when considering future remuneration policy.

Under the Corporations Act, if 25% or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive annual general meetings, a resolution ("spill resolution") must be put to Shareholders at the second of those meetings to determine whether the Directors who were in office at the date of approval of the applicable directors' report must stand for re-election.

If the spill resolution is passed by the requisite majority (being an ordinary resolution), then the Company must convene a general meeting of Shareholders (a "spill meeting") within 90 days of the second annual general meeting, at which all of those Directors will cease to hold office but may offer themselves for re-election. This is being referred to as the '2 strikes rule'.

At the Company's 2017 AGM, less than 25% of the votes cast on the resolution to adopt the Company's 2017 remuneration report voted against its adoption. As such, regardless of the voting on Resolution 1, a spill resolution is not required to be considered at the 2018 AGM.

The Chairman of the AGM will give Shareholders a reasonable opportunity to ask questions about or to make comments on the Remuneration Report.

3.2 Directors' Recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 3. The Directors acknowledge, however, that they have a personal interest in some aspects of the Remuneration Report.

RESOLUTION 4 – RE-ADOPTION OF CARNARVON EMPLOYEE SHARE PLAN

4.1 Background

On 16 October 1997, the Company adopted an employee share plan, known as the Carnarvon Employee Share Plan ("Plan"), as a method for providing appropriate incentives to the Company's employees and executives. Subsequently the Plan has been re-adopted a number of times subject to various amendments. The Directors consider that the Plan is an essential tool for the Company to maintain effective and competitive employment arrangements and align the objectives of management with the interests of Shareholders.

The Plan enables an eligible employee to acquire a Share under the Plan ("ESP Shares") at an issue price determined by the Board ("Issue Price"), which must be at least a 20% premium to the market price of the Company's Shares (determined by the 5 day volume weighted average price ("VWAP") of the Company's Shares sold on ASX prior to the proposed date of offer). As part of an offer under the Plan the Company will loan the eligible employee an amount equal to the acquisition cost of the ESP Shares acquired (being the number of ESP Shares multiplied by the Issue Price).

The Plan is considered the most effective means of providing long term incentives to the Company's employees and executives, because:

- it provides clear incentive targets for recipients, namely to materially increase the Share price above the Issue Price of those Shares (prevailing share price plus a premium of at least 20%);
- unlike performance rights, there is no value in the ESP Shares if the price of those Shares remain below the Issue Price;
- there are restrictions on the disposal of ESP Shares issued under the Plan, meaning that there is an incentive for recipients to seek share price appreciation over the longer term (under the Plan, holders are only permitted to dispose of up to 25% of their ESP Shares after the expiry of 2 years from the date of their issue, with the disposal of up to 50% permitted after the expiry of 3 years, up to 75% permitted after the expiry of 4 years, and all of the relevant ESP Shares after 5 years from the date of issue of those Shares);
- the structure of the issue of Shares under the Plan reduces the need for employees to sell at the vesting point to pay tax, unlike performance rights and some option schemes; and

- there is no cash cost to the Company in issuing the ESP Shares.

Since the Plan was last approved by Shareholders at the Company's 2015 AGM, the Board has undertaken a comprehensive review of the Plan, incorporating input from Shareholders and proxy advisors. As a result of this review, the Board has amended the Plan rules by increasing the period during which recipients are restricted from disposing of a percentage of their ESP Shares each year by one year from 4 to 5 years. As a result of this amendment, disposal of Shares issued under the amended Plan will be restricted over a five year period. The Plan has also been updated to reflect changes to the regulation of employee incentive plans and otherwise to provide greater clarity regarding the operation of the Plan. The amendments to the Plan do not apply to any Shares issued under the Plan prior to those amendments being made.

4.2 Requirement for Shareholder approval

(a) Listing Rule 7.2

Listing Rule 7.1 provides that subject to certain exceptions, a listed company may not issue or agree to issue equity securities in any 12 month period that exceed 15% of the number of securities the company has on issue, except with the prior approval of shareholders of the company in general meeting of the terms and conditions of the proposed issue.

Listing Rule 7.2 (Exception 9(b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme if, within three years before the date of issue, shareholders have approved the issue of securities under the employee incentive scheme as an exception to Listing Rule 7.1.

As the Plan was last approved by Shareholders on 13 November 2015, Shareholders are again required to approve the Plan to enable the Company to rely on the exemption in Listing Rule 7.2 (Exception 9(b)) in regards to the issue of Shares under the arrangements outlined in section 4.1 above.

Resolution 4 seeks Shareholder approval to enable the Company to issue such Shares from time to time during the three years from the date of the approval, without being required to count those securities as part of, and without reducing the number of securities the Company can issue under, the annual 15% limit prescribed by Listing Rule 7.1.

The following information is provided for the purposes of Resolution 4:

- a summary of the terms and conditions of the Plan as amended since it was last approved is set out in Annexure A to this Explanatory Statement;
- 22,194,289 Shares (approximately 1.9% of the issued Share capital of the Company based on the Company's existing Share capital as at the last practicable date prior to the date of finalisation of this Explanatory Statement) have been issued under the Plan since it was last approved on 13 November 2015; and
- the amendments to the Plan referred to in section 4.1 do not operate retrospectively and will not affect any of the Shares issued under the Plan before those amendments came into effect.

A voting exclusion statement is included in the Notice of Annual General Meeting in respect of Resolution 4.

(b) Section 260C(4) of the Corporations Act

As described above, under the Plan the Company is to provide loans to Eligible Persons in connection with the acquisition of ESP Shares under the Plan. Such loans may constitute financial assistance for the purposes of section 260A of the Corporations Act.

Additionally, if the Company elects to transfer (or procure the acquisition and transfer) of Shares to any Eligible Person to meet his or her entitlements under the Plan (rather than issue new Shares), the Company may be considered to be providing financial assistance to that employee or executive to acquire Shares.

Under section 260A of the Corporations Act, a company may only financially assist a person to acquire a share or a unit of share in the company if the assistance falls within an exception or is approved by shareholders under section 260B of the Corporations Act.

Section 260C(4) of the Corporations Act provides an exception whereby the Company may provide such financial assistance under an employee share scheme that has been approved by the Company in general meeting. The Company previously sought and obtained the approval of Shareholders to the provision of financial assistance in connection with the acquisition of ESP Shares when the Plan was last approved by Shareholders at the 2015 AGM. However, as the terms of the Plan have been amended since that time, the Company considers it prudent to refresh the approval of Shareholders to the provision of such financial assistance. Accordingly, the Company is also seeking approval of the Plan for the purposes of section 260C(4) of the Corporations Act.

A complete copy of the rules of the Plan (which incorporates the terms of the loan agreement) is available for inspection by Shareholders (free of charge) at the Company's registered office or, upon request, is obtainable from the Company Secretary.

4.3 Directors' Recommendation

The Directors (other than Mr Adrian Cook who has an interest in the Resolution as a potential recipient of ESP Shares) unanimously recommend that Shareholders vote in favour of Resolution 4.

RESOLUTION 5 – ISSUE OF SHARES TO MR ADRIAN COOK

5.1 Background

The Company carefully considers the remuneration of its Managing Director, Mr Adrian Cook, as part of the Company's annual employee remuneration review process that occurs in June each year.

The Carnarvon Employee Share Plan referred to in section 4 above provides a mechanism for offering appropriate incentives to the Company's employees and executives. The Plan is considered to be an appropriate long term incentive scheme given the size and nature of the Company.

The Board proposes to provide a loan to Mr Cook (or his nominee) under the terms of the Plan to fund the issue of 1,238,108 Shares to Mr Cook (or his nominee) under the rules of the Plan ("ESP Shares"). Of the 1,238,108 shares proposed to be issued to Mr Cook, 818,385 Shares relate to total shareholder return relative to the Company's peers and 419,723 Shares relate to progress made in regards to meeting the Company's strategic objectives. These strategic objectives included progress made in relation to the Company's exploration model, the Phoenix project, the Buffalo project and various corporate related objectives.

The determination of the quantum of ESP Shares awarded is outlined in more detail on pages 22-23 of the Company's Annual Report.

The Board considers that the issue of ESP Shares to Mr Cook under the Plan is appropriate, particularly given the achievement of key milestones.

As a Director of the Company, the proposed issue of ESP Shares to Mr Cook requires the prior approval of Shareholders under the Corporations Act and ASX Listing Rules. Accordingly, the Company is seeking Shareholder approval to issue 1,238,108 ESP Shares to Mr Cook (or his nominee).

These ESP Shares will be issued at an average price of 16.5 cents per ESP Share (being at least a 20% premium to the VWAP of the Company's Shares on ASX over the 5 trading days prior to 29 June 2018, being the date on which the Board resolved to make a formal offer of ESP Shares to Mr Cook). The Board assesses the achievement of long term strategic objectives on or before 30 June each year, including that of Mr Cook, and makes a determination of any grant at this time. The Board recognises that for the position of Managing Director, events can arise after 30 June that may positively or negatively impact on the share price before the share issue is considered at the Company's Annual General Meeting. It is noted that, this year, the Company's Share price has appreciated substantially since the time that the Board resolved to offer these ESP Shares to Mr Cook. However, the Board also notes that under the Plan, there are restrictions over the disposal of these ESP Shares such that the issue of these ESP Shares to Mr Cook provides an incentive for Mr Cook to seek to maintain and improve the Company's Share price above the price at which these ESP Shares were issued over the longer term.

As mentioned above, the Company will provide a loan to Mr Cook in connection with the acquisition of these 1,238,108 ESP Shares under the Plan. As the Company has amended the terms of the Plan since it was last approved by Shareholders, Resolution 4 seeks, in part, Shareholder approval for the provision of such loans by the Company for the purposes of the Plan under section 260C(4) of the Corporations Act.

5.2 Requirement for Shareholder approval

Shareholder approval is required under the provisions of ASX Listing Rule 10.14 in respect of all securities to be issued to directors (or their associates) under an employee incentive scheme. Further, Chapter 2E of the Corporations Act prohibits a public company from giving a financial benefit to a related party of the Company without prior shareholder approval, unless the benefit falls within one of various exceptions to that prohibition contained in the Corporations Act. "Related party" is widely defined and includes all directors of a public company. "Financial benefit" has a wide meaning and includes the issue of securities by a public company and the provision of a loan to the director. Resolution 5, if passed, will confer a financial benefit on a Director of the Company.

While the Board believes the offer of the ESP Shares to Mr Cook is reasonable in the context of Mr Cook's overall remuneration, the Board considers it prudent to obtain Shareholder approval for the purposes of Chapter 2E of the Corporations Act.

Resolution 5 seeks Shareholder approval for the proposed issue of 1,238,108 ESP Shares, and the provision of the associated loan to Mr Cook under the Plan, under both Chapter 2E of the Corporations Act and ASX Listing Rule 10.14.

5.3 Information requirements for Chapter 2E of the Corporations Act

For the purposes of Chapter 2E of the Corporations Act (and for all other purposes), the following information is provided to Shareholders:

- (a) The proposed financial benefit to be given to the Company's Managing Director and CEO, Mr Cook (or his nominee), is the issue of 1,238,108 ESP Shares under the Plan and the provision of a limited recourse loan (in accordance with the Plan rules) in connection with that issue. The terms of the Plan and the associated loan are summarised in Annexure A to this Explanatory Statement.
- (b) The ESP Shares will be acquired by Mr Cook at an average price of 16.5 cents per ESP Share (being at least a 20% premium to the VWAP of the Company's Shares on ASX over the 5 trading days prior to 29 June 2018, being the date on which the Board resolved to make a formal offer of ESP Shares to Mr Cook).
- (c) The ESP Shares will rank equally in all respects with all other issued Shares from the date of issue and will be held subject to the Constitution and the restrictions on disposal of those ESP Shares.
- (d) If Shareholders approve the issue of ESP Shares under the Plan, Mr Cook (or his nominee) will be deemed to have agreed to borrow the cost of these ESP Shares from the Company to fund the acquisition of the ESP Shares on the terms and conditions set out in the Plan.
- (e) If Shareholders approve the issue of the ESP Shares to Mr Cook, Mr Cook may not dispose of any these ESP Shares within two years of the issue date but, subject to repayment of any associated loan, he may dispose of up to 25% of these ESP Shares after two years, 50% after three years, 75% after four years and 100% after five years in accordance with the restrictions imposed by the Plan.
- (f) If Shareholders approve the issue of the ESP Shares to Mr Cook, this will dilute the shareholdings of the Company's existing Shareholders by approximately 0.1% (based on the Company's issued Share capital as at the last practicable date prior to the date of finalising this Explanatory Statement).
- (g) The highest and lowest closing prices of the Company's Shares on the ASX in the 12 months prior to the date of finalisation of this Explanatory Statement were 63.0 cents on 8 and 9 October 2018 and 8.4 cents on 2 October 2017.
- (h) The closing price of the Company's shares on ASX on 17 September 2018 (being the last practicable date prior to the finalisation of the Explanatory Statement) was 36.5 cents.
- (i) Based on an average share price of 16.5 cents for this acquisition, the value of the ESP Shares to be issued to Mr Cook would be \$204,288. The value of the loan to be made to Mr Cook is determined at this time and is therefore \$204,288.
- (j) The Company has used the Black-Scholes Option Pricing Model ("BSOPM") for determining the cost of the ESP Share issue for accounting and remuneration purposes as of the date the Board resolved to make a formal offer to Mr Cook under the Plan. The following assumptions were made in valuing the share issue under the BSOPM:
- an issue price of 16.5 cents per ESP Share;
 - a risk free interest rate of 1.5%;
 - volatility of 68%; and
 - a vesting period of five years.

Using these assumptions, the BSOPM-determined accounting cost for the issue of the ESP Shares to Mr Cook is approximately \$0.082 per Share, which produces an accounting cost for the ESP Share issue of approximately \$102,000.

Shareholders should be aware that the indicative value of the ESP Shares that are to be issued to Mr Cook, as set out above, is considered to represent the theoretical value for the ESP Shares given the inherent limitations of the BSOPM. Any change in the variables applied in the BSOPM between the date of valuation and the date of issue of the ESP Shares may have a material impact on the value of the ESP Shares.

- (k) The loan of \$204,288 provided by the Company to fund the acquisition of the ESP Shares by Mr Cook is interest-free. At an assumed interest rate of 5%, this represents an annual interest benefit of \$10,214. The liability of Mr Cook in respect of that loan is limited to the value of the ESP Shares to which the loan relates.
- (l) The remuneration paid or payable to Adrian Cook for the 12 months ending 30 June 2018 is as follows:

Director	Salary and fees	Share based payments	Superannuation	Bonus	Total
Adrian Cook	\$578,865	\$61,226	\$28,375	\$73,124	\$741,590

- (m) The current annual cash remuneration being paid to Adrian Cook is a salary of \$607,240, including superannuation.
- (n) Adrian Cook currently owns 12,499,917 Shares. Following the issue of the ESP Shares to Mr Cook, he will own 13,738,025 Shares (representing 1.1% of the expanded issued share capital of the Company based on the Company's existing Share capital as at the last practicable date prior to the date of finalisation of this Explanatory Statement).
- (o) The issue of the ESP Shares to Mr Cook will have the following impacts on the Company:
- the issued share capital of the Company will increase by 1,238,108 Shares; and
 - Shareholders' interests will be diluted as set out in section 5.3(f) above.
- (p) Other than Mr Cook, the Directors do not have any interests in the outcome of Resolution 5 for the purposes of section 219(1)(d) of the Corporations Act, other than in their capacity as Shareholders. Mr Cook did not vote at the meeting of the Board to approve the offer of ESP Shares to him and Mr Cook is prohibited from voting at the AGM in respect of Resolution 5.

5.4 Information requirements for ASX Listing Rule 10.15

In accordance with the requirements of ASX Listing Rule 10.15, the following information is provided for the purposes of Resolution 5:

- (a) Resolution 5 seeks Shareholder approval for Mr Cook, the Managing Director and CEO of the Company, to participate in the Plan to a maximum extent of 1,238,108 ESP Shares.
- (b) Mr Cook was issued:

- (i) 1,159,917 ESP Shares at 15.0 cents per ESP Share under the Plan in November 2015 following approval at the Company's annual general meeting held on 13 November 2015; and
- (ii) 1,200,000 ESP Shares at 13.0 cents per ESP Share under the Plan in November 2016 following approval at the Company's annual general meeting held on 25 November 2016.
- (ii) 1,500,000 ESP Shares at 10.0 cents per ESP Share under the Plan in November 2017 following approval at the Company's annual general meeting held on 17 November 2017.

No ESP Shares have otherwise been issued to any person referred to in ASX Listing Rule 10.14 under the Plan since Shareholder approval for the Plan was last received on 13 November 2015.

- (c) The ESP Shares will be issued to Mr Cook as soon as practicable following Shareholder approval, but no later than 12 months after the date of the Annual General Meeting.
- (d) The price of the ESP Shares to be issued to Mr Cook is 16.5 cents per ESP Share.
- (e) The terms of the loan in connection with the ESP Shares to be issued to Mr Cook are set out in section 5.3(k) above and in Annexure A to this Explanatory Statement.
- (f) Mr Cook, being the only executive Director of the Company, is the only Director currently entitled to participate in the Plan.
- (g) A voting exclusion statement in respect of Resolution 5 is included in the Notice of Meeting.

5.5 ASX Listing Rule 7.1

The Plan was last approved by Shareholders for the purposes of Exception 9 of ASX Listing Rule 7.2 at the Company's 2015 AGM. Resolution 4 seeks to refresh that approval. However, even if Resolution 4 is not approved, Listing Rule 7.2 (Exception 14) provides that Shareholder approval under Listing Rule 7.1 is not required to issues of securities that have been approved under ASX Listing Rule 10.14. Accordingly, if Resolution 5 is approved, the issue of ESP Shares to Mr Cook pursuant to Resolution 5 will not be included in the calculation of the Company's 15% annual placement capacity for the purposes of ASX Listing Rule 7.1.

5.6 Directors' Recommendation

The Directors (other than Mr Cook) have carefully considered the proposed issue of the ESP Shares to Mr Cook, as well as the provision of the associated loan and Mr Cook's remuneration package generally, and consider the issue to be an important component of his remuneration package in that it:

- provides a competitive remuneration package, relative to the Company's peers;
- provides a strategic and value based reward for key executives such as Mr Cook;
- aligns Mr Cook's interests with the interests of the Company's Shareholders; and
- incentivises Mr Cook over the longer term so as to derive value from those incentives.

Accordingly, having considered these factors and having considered the alternatives to an issue of ESP Shares to Mr Cook (such as a higher cash-based component of remuneration), the Directors (other than Mr Cook) believe that the issue of the ESP Shares to Mr Cook is in the best

interests of the Company and unanimously recommend that Shareholders vote in favour of Resolution 5.

Mr Cook makes no recommendation to Shareholders in relation to Resolution 5 because he has an interest in the outcome of the Resolution.

To the extent permitted by law, the Chairman intends to vote all undirected proxies in favour of Resolution 5.

5.7 Other Information

The Directors consider that there are no material opportunity costs to the Company, no taxation consequences to the Company and no material benefits foregone by the Company in issuing the ESP Shares to Mr Cook.

The Directors are not aware of any information other than that set out in this Explanatory Statement that would reasonably be required by Shareholders in order to decide whether or not it is in the Company's interests to pass Resolution 5.

RESOLUTION 6 – CHANGE TO NON-EXECUTIVE DIRECTORS' FEES

6.1 Background

Resolution 6 has been proposed so that Shareholders can consider, and if thought fit, approve an increase to the maximum aggregate remuneration which is available to the Company to secure the services of its Non-Executive Directors. ASX Listing Rule 10.17 and rule 37(a) of the Constitution provide that the Company must first obtain Shareholder approval before it is able to increase the total fees payable by the Company or its subsidiaries to its Non-Executive Directors.

At present, the maximum amount of fees which can be paid to the Company's Non-Executive Directors is capped at \$400,000. This maximum cap has not been increased since 2015.

The Directors are seeking Shareholder approval to increase the upper limit on aggregate Non-Executive Director remuneration by \$200,000 for the following reasons:

- as the Company moves closer to operating a well program and potential oil field development it may require additional Non-Executive Directors;
- to compensate for increased time commitments as the Company moves closer to production in the Buffalo and Dorado oil fields;
- the Company's Non-Executive Directors have extensive skills and experience in a range of relevant industries that are important to the Company's development;
- the appointment of the Non-Executive Directors significantly enhances the independence of the Board; and
- the Board considers it important that the Company maintains the ability to remunerate competitively and attract and retain high calibre Non-Executive Directors and that there is allowance for growth in the number of Non-Executive Directors and non-executive remuneration in the future to reflect market competitiveness for Non-Executive Directors with the skills and experience appropriate for the Company's business and growth.

If Resolution 6 is approved, the Directors do not intend utilising the entire maximum sum of \$600,000 in the first instance. By having an increase in the maximum amount that can be paid to Non-Executive Directors, the Directors have the flexibility to seek new independent Non-Executive Directors to the Board as and when appropriate. The increase should also be seen in light of the possibility there may in the future be an increase in the number of Non-Executive Directors and provides flexibility to attract and remunerate any additional suitable Board candidates.

The remuneration currently provided to each Non-Executive Director of the Company for the financial year ended 30 June 2018 is detailed in the Remuneration Report (being the subject of Resolution 3).

6.2 Technical information required by Listing Rule 10.17

If Shareholders approve the proposed Resolution, the maximum aggregate sum which can be paid to Non-Executive Directors of the Company by way of directors fees will increase by \$200,000 per annum, resulting in an increase in the upper limit of directors fees that can be paid to the Company's Non-Executive Directors from the current level of \$400,000 to a new level of \$600,000 in any financial year.

The following table sets out details of all securities in the Company issued to a Non-Executive Director after obtaining Shareholder approval under Listing Rule 10.11 or 10.14 during the past 3 years.

Non-Executive Director	Type of security	Number	Listing Rule	Date of issue	Price
<i>William Foster</i>	Unlisted options	500,000	10.11	20 November 2015	\$0.15 per Share
<i>Peter Moore</i>	Unlisted options	500,000	10.11	20 November 2015	\$0.15 per Share

A voting exclusion statement is included in the Notice of Annual General Meeting in respect of Resolution 6.

6.3 Directors' Recommendation

Mr Adrian Cook, being the Company's only executive Director, recommends that Shareholders vote in favour of Resolution 6.

RESOLUTION 7 – RATIFICATION AND APPROVAL OF PREVIOUS ALLOTMENT AND OF SHARE ISSUE OF PLACEMENT SHARES TO INSTITUTIONAL AND SOPHISTICATED INVESTORS

7.1 Background

As announced to the ASX on 11 May 2018, the Company undertook a capital raising of \$16 million by way of a placement of 123 million Shares to institutional and sophisticated investors (**Institutional Investors**) at an issue price of 13.0 cents per Share (**Placement**).

The proceeds raised as a result of the Placement is being used to fund:

- drilling and development plans in the Buffalo Oil Field in Timor-Leste; and
- the costs associated with the Placement, and for the Company's general working capital purposes.

The purpose of this Resolution 7 is for Shareholders to approve and ratify, under ASX Listing Rule 7.4 and for all other purposes, the issue of 123 million Shares pursuant to the Placement (**Placement Shares**).

7.2 Shareholder approval for the purposes of Listing Rule 7.4

As outlined above, ASX Listing Rule 7.1 prevents an entity from issuing more than 15% of its issued capital without shareholder approval.

Listing Rule 7.4 provides that an issue of securities made without approval under Listing Rule 7.1 will be treated as having been made with shareholder approval for the purposes of Listing Rule 7.1 if shareholders subsequently ratify the issue, and the issue did not breach Listing Rule 7.1.

The issue of 123 million Shares, being the Placement Shares described above, has been completed and the Placement Shares were issued within the 15% limit permitted by Listing Rule 7.1. However, without Shareholder approval pursuant to Listing Rule 7.4, that Share issue will be counted towards the Company's 15% capacity and will therefore reduce the Company's capacity to issue Shares in the future without obtaining Shareholder approval.

Accordingly, Resolution 7 seeks Shareholder ratification and approval of the allotment and issue of the Placement Shares, for the purpose of satisfying the requirements of ASX Listing Rule 7.4.

7.3 Information required under Listing Rule 7.5

Listing Rule 7.5 requires the following information to be provided to Shareholders:

Placement Shares	
<i>Issue date:</i>	21 May 2018
<i>Number of securities:</i>	123 million Shares
<i>Issue price:</i>	13.0 cents per Share
<i>Terms of issue:</i>	The Shares were issued on the same terms and conditions as existing Shares on issue, and rank pari passu with those Shares.
<i>Allottees:</i>	The Shares were issued to institutional and sophisticated investor clients of Euroz Securities Limited.
<i>Use of funds raised:</i>	The issue raised approximately A\$16 million, which is being used for the purposes set out in the Section 7.1 above.

If Resolution 7 is not approved, the Company's ability to raise additional equity funds without Shareholder approval will be restricted until the Company's 15% capacity is refreshed.

7.4 Directors' Recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 7.

RESOLUTION 8 – RATIFICATION OF PREVIOUS ALLOTMENT AND ISSUE OF SHARE PURCHASE PLAN SHARES TO PARTICIPATING SHAREHOLDERS

8.1 Background

In addition to the Placement the subject of Resolution 7, the Company also undertook a capital raising of \$3,999,974 by way of a Share Purchase Plan of 30,769,034 Shares to existing Shareholders as at 10 May 2018 at an issue price of 13.0 cents per Share (**SPP**).

The proceeds raised as a result of the SPP are being used to fund the activities outlined in section 7.1 above.

The purpose of this Resolution 8 is for Shareholders to approve and ratify, under ASX Listing Rule 7.4 and for all other purposes, the issue of 30,769,034 shares pursuant to the SPP (**SPP Shares**).

8.2 Shareholder approval for the purposes of Listing Rule 7.4

As outlined above, ASX Listing Rule 7.1 prevents an entity from issuing more than 15% of its issued capital without shareholder approval.

Listing Rule 7.4 provides that an issue of securities made without approval under Listing Rule 7.1 will be treated as having been made with shareholder approval for the purposes of Listing Rule 7.1 if shareholders subsequently ratify the issue, and the issue did not breach Listing Rule 7.1.

The issue of 30,769,034 Shares, being the SPP Shares described above, has been completed and the SPP Shares were issued within the 15% limit permitted by Listing Rule 7.1. However, without Shareholder approval pursuant to Listing Rule 7.4, that Share issue will be counted towards the Company's 15% capacity and will therefore reduce the Company's capacity to issue Shares in the future without obtaining Shareholder approval. This is because the exception to Listing Rule 7.1 that applies to permit the issue of shares under a securities purchase price (being exception 15 of Listing Rule 7.2) did not apply to the issue of the SPP Shares as the issue price of SPP Shares was at a discount which was slightly higher than that permitted by that exception (being a 20.8% discount compared to the 20% discount permitted by that exception).

Accordingly, Resolution 8 seeks Shareholder ratification and approval of the allotment and issue of the SPP Shares, for the purpose of satisfying the requirements of ASX Listing Rule 7.4.

8.3 Information required under Listing Rule 7.5

ASX Listing Rule 7.5 requires the following information to be provided to Shareholders:

SPP Shares	
<i>Issue date:</i>	6 June 2018
<i>Number of securities:</i>	30,769,034 Shares
<i>Issue price:</i>	13.0 cents per Share
<i>Terms of issue:</i>	The Shares were issued on the same terms and conditions as existing Shares on issue, and rank pari passu with those Shares.
<i>Allottees:</i>	The Shares were issued to existing shareholders as at 10 May 2018 who elected to participate in the SPP.
<i>Use of funds raised:</i>	The issue raised approximately A\$4 million, which is being used for the purposes set out in the section 7.1 above.

If Resolution 8 is not approved, the Company's ability to raise additional equity funds without Shareholder approval will be restricted until the Company's 15% capacity is refreshed.

8.4 Directors' Recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 8.

However, these restrictions will not apply where the Plan participant is made redundant or there is a change of control of the Company. 9. Loan agreement

A loan agreement will be entered into by the Company and the Plan participants in connection with the acquisition of ESP Shares under the Plan, as follows:

- if a participant accepts an offer to receive ESP Shares, they will be taken to have agreed to borrow from the Company on the terms of the loan agreement described below, an amount to fund the purchase of the ESP Shares;
- until the loan to a participant is fully repaid, the Company has a first right of refusal to buy back the ESP Shares for the issue price if the participant wishes to sell the ESP Shares; and
- once the loan is repaid in full (and subject to any other restrictions on disposal imposed by the Plan), a participant may deal with the ESP Shares as they wish.

The principal provisions of the loan agreement include:

- the loan amount will be equal to the issue price of the ESP Shares multiplied by the number of ESP Shares issued;
 - the loan can be repaid at any time but a participant must repay any amount outstanding to the Company within 30 days of termination of employment. All dividends declared and paid on the ESP Shares will be applied towards repayment of the advance;

HOW TO COMPLETE THIS SHAREHOLDER PROXY FORM

YOUR NAME AND ADDRESS

This is your name and address as it appears on the Company's share register. If this information is incorrect, please make the correction on the form. Shareholders sponsored by a broker should advise their broker of any changes. **Please note: you cannot change ownership of your shares using this form.**

APPOINTMENT OF PROXY

If you wish to appoint the Chairman of the Meeting as your proxy, mark the box in Step 1. If you wish to appoint someone other than the Chairman of the Meeting as your proxy, please write the name of that individual or body corporate in Step 1. A proxy need not be a shareholder of the Company.

DEFAULT TO CHAIRMAN OF THE MEETING

Any directed proxies that are not voted on a poll at the Meeting will default to the Chairman of the Meeting, who is required to vote those proxies as directed. Any undirected proxies that default to the Chairman of the Meeting will be voted according to the instructions set out in this Proxy Form, including where the Resolutions are connected directly or indirectly with the remuneration of KMP.

VOTES ON ITEMS OF BUSINESS – PROXY APPOINTMENT

You may direct your proxy how to vote by placing a mark in one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

APPOINTMENT OF A SECOND PROXY

You are entitled to appoint up to two persons as proxies to attend the Meeting and vote on a poll. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by telephoning the Company's share registry or you may copy this form and return them both together.

To appoint a second proxy you must:

- on each of the first Proxy Form and the second Proxy Form state the percentage of your voting rights or number of shares applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded; and
- return both forms together.
